

## **Cancellation and No-Show Policy**

We request that if you must cancel an appointment, please call us at 512-462-6790, as soon as possible.

To assure that all patients are treated in a timely fashion with minimal disruptions, we have adapted the following policy:

- We require a 24 hour notice for all cancelled or rescheduled appointments.
- If less than 24 hour notice is given, you may be charged a \$25 cancellation fee. This will be your responsibility and will not be billed to or payable by your insurance carrier.
- Excessive cancellations or no-shows may result in being discharged from our program and your physician will be notified.

Thank you for your cooperation.
